THE KITCHEN STUDIO

Xtone by Porcelanosa:

Ultra-Compact Porcelain Surfaces

Xtone combines the elegance and beauty of natural stone surfaces with all the benefits of ceramic.

With 15 stunning colours, Xtone can be used for worktops, wall cladding, flooring and more. It works just as well in kitchens as it does in bedrooms, bathrooms, pubs and furniture.

Non-Porous

High scratch resistance

Anti-bacterial

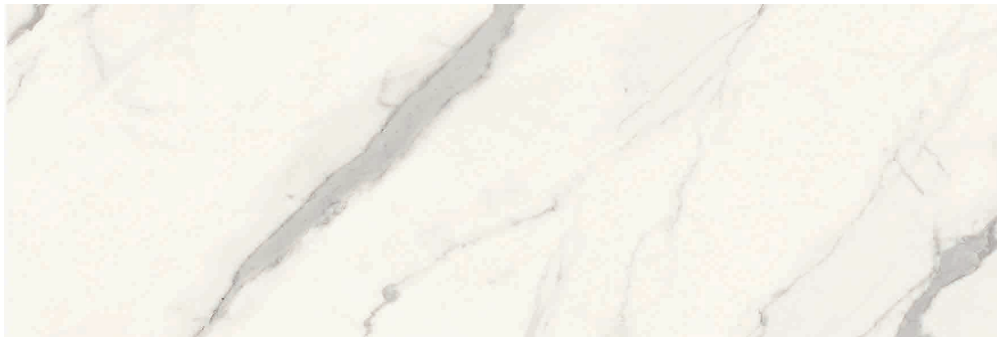

12mm thick

High heat resistance

High UV resistance
