

LIEBHERR

FRIDGE & FREEZERS

MADE IN GERMANY

30
YEARS
since 1994

THE KITCHEN STUDIO

FULL FRIDGE IKB 3560

Height/width/depth 177.2 – 178.8 / 56 – 57 / 55.0 cm

The BioCool-Box allows regulation of the humidity level within the fridge compartment so that food keeps fresh for longer. It is convenient-to-use and it ensures that stored food is clear visibility.

The NoFrost system from Liebherr provides rapid, fan-assisted, frost-free freezing for the safe, long-term storage of food. The NoFrost technology creates a much larger storage capacity and keeps the freezer constantly frost-free to make defrosting a thing of the past.

Accurate and independent temperature control of the fridge and freezer compartments is facilitated by DuoCooling : two separately adjustable cooling circuits. There is no air exchange between the fridge and freezer compartment, so that odours cannot be transferred and the stored food is prevented from drying out.

- Drawers mounted on telescopic rails
- SoftTelescopic
- SoftSystem closing mechanism
- VarioSafe
- LED light column

This Full Fridge can be combined with Full Freezer, SIGN3556 (pg 3)

FULL FREEZER SIGN 3556

FRIDGE - FREEZER

ICBN 3356

177 x 55.9 x 54.4cm

The BioCool-Box allows regulation of the humidity level within the fridge compartment so that food keeps fresh for longer. It is convenient-to-use and it ensures that stored food is clear visibility.

The NoFrost system from Liebherr provides rapid, fan-assisted, frost-free freezing for the safe, long-term storage of food. The NoFrost technology creates a much larger storage capacity and keeps the freezer constantly frost-free to make defrosting a thing of the past.

Accurate and independent temperature control of the fridge and freezer compartments is facilitated by DuoCooling : two separately adjustable cooling circuits. There is no air exchange between the fridge and freezer compartment, so that odours cannot be transferred and the stored food is prevented from drying out.

Drawers mounted on telescopic rails

The drawers extend on smooth-running telescopic rails and can be conveniently removed at a door opening angle of 90°.

GlassLine door interior with VarioBoxes

The GlassLine door shelves feature a satin-finished safety glass base, elegantly shaped plastic edging, stainless steel trims, as well as bottle and jar storage with adjustable holders for extra safety. The two removable VarioBoxes are perfect for sorting and storing smaller items in a clearly visible manner. A drawer stop ensures that the VarioBoxes are secure and that they are not dislodged when items are accessed.

FRIDGE - FREEZER

ICBN 3366

size 56-57cm (w) x at least 55cm (d) x 177.2-178.8cm (h)

Bio Fresh

In the BioFresh compartments food retains its healthy vitamins, aroma and appetising appearance significantly longer than in a conventional fridge. Through its advanced technology the temperature is accurately kept at just above 0°C.

No Frost

The NoFrost system from Liebherr provides rapid, fan-assisted, frost-free freezing for the safe, long-term storage of food. The NoFrost technology creates a much larger storage capacity and keeps the freezer constantly frost-free to make defrosting a thing of the past.

Duo Cooling

Accurate and independent temperature control of the fridge and freezer compartments is facilitated by DuoCooling : two separately adjustable cooling circuits. There is no air exchange between the fridge and freezer compartment, so that odours cannot be transferred and the stored food is prevented from drying out.

Ice Maker

The plumbed-in IceMaker automatically keeps you topped up with the finest quality ice cubes so that you are prepared for every occasion. Whether you want some ice for a refreshing drink or for a big party with friends, with two generous drawers, the IceMaker will supply all the ice cubes you'll need. Furthermore, it can be switched off at any time, as required.

Drawers mounted on telescopic rails

The drawers extend on smooth-running telescopic rails and can be conveniently removed at a door opening angle of 90°.

GlassLine door interior with VarioBoxes
